WHY CHOOSE OASIS MIDDLE?

Choosing the right middle school for your child is an extremely important decision. The entire staff here at OMS are 100% committed to providing an environment that is safe and engaging for all students. We are extremely proud of our accomplishments over the past 13 years, and we will not stop. Since 2009, OMS has earned an “A” from the State of Florida for our high academic achievement.

We appreciate parents/guardians, and their involvement in their child’s education. We have a very active PTO, working to make OMS the best place possible for kids, staff, and parents.

We will be working to expand upon the successes of the past as we create the future path of OMS. We welcome the opportunity to teach your child - we truly hope you will decide to join our school family.
