Notice of Adult Meal Price Increase

Due to recent changes in the National School Lunch Program (NSLP), we are required to adjust our pricing for adult meals to ensure compliance with federal guidelines, and to cover the increasing costs associated with providing high-quality, nutritious meals. Therefore, effective September 4, 2024, the new prices for adult meals will be as follows:

- Breakfast: \$2.70
- Lunch: \$4.30

These price adjustments are necessary to continue offering meals that meet the nutritional standards set by the NSLP while addressing rising food, labor, and operational costs.

We appreciate your understanding and continued support of our Oasis Charter Schools cafeterias.

Should you have any questions, please do not hesitate to contact Mary Ossichak, Food Service Manager, at 239-945-1999 ext.7115.

A handwritten signature in blue ink that reads "Mary Ossichak".
