

Oasis Middle School Café Policies & News
School Year 2025–2026

We are pleased to share our updated café policies and meal information for the upcoming school year.

Lunch price is \$3.50, and breakfast price is \$2.25 for the 2025–2026 school year. Please see your child's daily schedule for their lunch time. Breakfast is served daily from 7:10 a.m. to 7:35 a.m. daily. However, if your family qualifies for the Free and Reduced Meals Program, your child may be eligible to receive both meals at a reduced cost or at no cost at all.

We encourage families to apply for meal benefits as soon as possible.

To apply:

1. Visit <https://www.myschoolapps.com/Home/PickDistrict> OR
2. Go to the www.oasismiddleschools.net – scroll down and click **Parent Portal**
3. Click **myschoolapps.com** under “School Lunch” to find the free/reduced application

Please allow up to **10 days for your application to be processed**, and keep in mind that full payment is required until approval is confirmed. For families who applied last year, that status will carry over for the first **30 school days only. You must reapply every school year.** Without a current approved application on file, your child will return to full pay status after **September 22, 2025**. Families may apply or update their application at any time during the school year, especially if income levels change.

We assure you that all students are treated equally in the cafeteria. Their meal status is confidential—they use the same lunch line and ID badge as everyone else.

If your child has a negative balance in their lunch account, we will allow a student to “charge” up to **two full meals**. If the account remains unpaid after that, your child will receive a sandwich and milk until the balance is resolved. **A la carte items, such as pizza slices, cannot be charged** and must be paid for with cash or account funds only.

Change will not be given to middle school students. Rest assured, no student who qualifies for free meals will be denied a meal, even if their account has a negative balance. Please refer to our **Unpaid Meal Policy** for more detailed information.

To help families manage their child's meal account, we highly recommend using **MySchoolBucks.com**, an online payment portal that allows parents to make quick and secure payments, monitor balances, review meal purchases, and receive account alerts. To get started visit www.oasismiddleschool.net and click on the **Parent Portal** at the bottom of the page.

This information will be shared at Open House events, posted on our school website, and sent out via our student information system so all families have easy access to our policies and updates.

This institution is an equal opportunity provider.
