## *Healthy tip of the month -

Eating fruits and vegetables has many health benefits. People who eat a healthy, balanced diet with plenty of fruits and vegetables can help lower their risk for: • Some types of cancer • Heart disease • Type 2 diabetes • High blood pressure - Obesity. We can make a difference by spreading the word about tips for healthy eating and encourage each other. Let use this month to raise awareness about the importance of getting enough fruits and vegetables. Some ideas are: •Spread the word and support local agriculture. - Encourage families to make small changes, like keeping fresh fruit or carrot sticks within easy reach.
