

Oasis Charter Schools- Transportation Request Form 2024-2025

Our school system offers limited bus service for students who live in the City of Cape Coral. Parents will receive notification of their student's bus assignment when it becomes available. Students can only be assigned to one bus stop within our system at the address listed in Focus.

Students must ride the bus at least 15 days per month to continue to have a seat or the student's seat will be revoked due to high demand for student ridership.

This form will NOT work using a cell phone, please use a computer or tablet. High School students if you drive to school, you can't have a bus seat and a parking pass.

Transportation Request form will open on April 5th and end on June 14, 2024 (5:00PM), to guarantee transportation for the first day of school. If you miss the deadline, transportation cannot be guaranteed for the first two weeks of school.
