Meet the Board Candidates

Each candidate will introduce themselves before a vote is taken.

Message from outgoing Co-President, Jen-Hope Belis:

I've been involved with PTO for MANY years. It is bittersweet that my time as an active PTO Board Member is over. I believe that the grass is greener where you water it. I hope OMS grass is greener because of what the PTO has done while I was on it! Don't worry, I'm still watering grass at OHS and with the Foundation. GO OUT AND WATER THE GRASS!

ROCK THE VOTE

Co-President: Heather Dinkel

Currently the OMS PTO co-President. Prior to that, I was the OMS PTO secretary and was very involved in the OES PTO from volunteer coordinator for many years to Co-President for 3 years. I am a regional director for a national pet crematory which does require some travel. I enjoy being an active part of the school and am excited for this year's board.

I am on the Board of the, Cape Coral Municipal Charter School Foundation, a 501(c)c organization dedicated to supporting the Oasis School System.

Kids Names/Grades:

Canyon, 9th Grader at OHS
Jensen, 7th Grader at OMS

Co-President: Nicole Cyr

I am the currently the OMS Co-Vice President. I have worked for SunStream Hotels & Resorts on Fort Myers Beach for the past 19+ years, with the last 14 of those years working in our corporate Finance Department as the Assistant Corporate Controller. I love the Oasis Charter School system & have volunteered and contributed to many events and activities over the last 10+ years. All my girls started out in Kindergarten at OEN. I love being part of the PTO Board because I have more of a "hands on" role with the school & get to work with an awesome group of individuals! I enjoy being an active parent with school activities and am excited to move into the Co-President role with Heather.

Kids Names/Grades:

Nora - 10th Grade at OHS
Noelle - 7th Grade at OMS
Nina - 4th grade at OEN

Vice President: Jess Marshall

I am currently the Secretary of the OMS PTO, but am excited to move to the Co- Vice President position, I have a 7th grader at OMS and a 1st at OES. We have been lucky enough to be a part of the Oasis schools since 2015. I have had the great opportunity to be a part of the PTO these past years by volunteering at various smaller activities, leading committees for larger events and serving on the board at OES.

I love being part of the PTO board at OMS because It allows me to contribute and be a part of all the great things happening for the school, students and teachers of Oasis.

Kids Names/Grades:

Leeland, 8th Grader at OMS
Nova, 2nd Grader at OES

Treasurer: Stephanie Mulhall

I am currently the OMS Treasurer. My oldest son is in 8th grade and my twins are currently in 6th. My children have been in the charter school system since they entered kindergarten.

I am passionate about supporting our children and the great school system they have the privilege of being a part of. I have enjoyed being a part of a great PTO team this past year and am looking forward to continuing.

I have been in accounting for 20+ years and have spent the last 5 at the Lee County Clerk of Courts.

Kids Names/Current Grades:

Ben, 8th Grader at OMS

Alex, 6th Grader at OMS

Elisabeth, 6th Grader at OMS

Secretary: Michele Hildebrand

I have one child Sophia who is currently in 5th grade at OES and is excited to move on to middle school next year. Sophia started with OES back in 2016 in VPK. I started to get involved during Sophia's VPK year helping with Teacher Appreciation. In 2017-2020 I became the Chair for Teacher Appreciation in addition to chairing Boo Hoo Breakfast in 2017, helping with Have a Heart Dance and others as needed. In 2020, I became the Co-President of OES Elementary school which was a very challenging year because of COVID. I have remained as PTO president to this day. I enjoy being involved with the students, teachers, and staff putting on events to see everyone smile! I am very excited to continue this hard work in Middle School.

Additional information:

Bachelor of Science Degree in Nursing. I was an Open Heart/Cath lab and Trauma Nurse for 11 years before wanting a Monday-Friday Job. I started at Lee Health in 2010 and currently, I am working as the Medical Informatics Manager in the IT department.
